

KARTHIKEYA BURUGULA

Product Manager | Fintech & B2B Platforms

karthikburugula46@gmail.com | [LinkedIn](#) | +91 8296114865 | Chennai, India

Summary

Product Manager with 4+ years of experience building fintech and B2B platforms across onboarding, investing, and 0-to-1 products. Experienced across the end-to-end product lifecycle, from discovery to launch and scale, including BSE and AMFI API integrations, with strengths in product strategy, roadmap prioritization, and product analytics, driving cross-functional execution across engineering, design, sales, and operations.

Experience

Product Manager | AssetPlus - Mutual fund distribution platform

Jun 2024 - Present

Owned onboarding and growth funnel for a mutual fund distribution platform serving 200K+ users

- Launched Portfolio Management Services (PMS) tracker, digitizing ~**₹55 Cr** of PMS AUM across 50 clients **within 30 days**.
 - Validated demand through **30+ MF distributor interviews** and surveys (85% cited portfolio tracking as a pain point)
 - A/B tested** prototypes to define the MVP.
- Grew Specialised Investment Funds (SIF) AUM by **74% (₹23 Cr to ₹40 Cr)** in two quarters by fixing investment-flow drop-offs found through CleverTap analysis and 15+ partner interviews.
- Reduced activation time from **22** to under **12** minutes **within 1 month** by introducing PAN-based autofilling for **75% of fields** and Resume Activation across a 200K+ user platform.
- Lead Product OKR definition charter for **5 of 8 OKRs** by identifying product gaps across **30** support-ticket classifications
- Recovered **20%+ of sprint capacity** by building **15+** self-service Appsmith dashboards using Claude Code for sales, support and operations.
- Lead a **7-member cross-functional product pod** comprising 5 engineers, 1 designer, and 1 QA driving roadmap prioritization, stakeholder alignment, and product delivery.

Associate Product Manager | Sprink.Online - B2B Meals Supply

Oct 2023 - Jun 2024

Founding Product Manager owning internal and external web and mobile products end-to-end.

- Reduced ordering time from **10-15** minutes to under **5** minutes by launching a **QR Scan & Pay** ordering platform.
- Digitized a manual quality-assurance workflow into an in-app tool, centralizing QA tracking and improving operational visibility.

Product Management (Internship)

Upliance.ai - Smart Kitchen Appliances

Aug 2023 - Oct 2023

- Synthesized user interviews and surveys into 3 problem statements that shaped MVP (AI Microwave).

Accredian - Upskilling Programs

Mar 2023 - Aug 2023

- Increased MAU by 57% in a ~600-member product learning community by introducing weekly teardown activities.

BI Developer | Infometry.INC - BI Consultancy

Feb 2022 - Mar 2023

- Built and Optimized reporting dashboards end-to-end, reducing the load times from 2-3 minutes to under 30 seconds.

Education & Certifications

- Postgraduate Certification in Product Management | Duke CE & UpGrad 2022 - 2023
- B.E./ECE Acharya Institutes of Technology | Bangalore 2017 - 2021
